Katie – Do you have a more recent version of the color glass 114 that you sent-out on 2/19? That version had quite a few comment bubbles that appeared to need addressing. My calendar is pretty open Wed and Thurs this week if you think we should touch base before we inspect the Kokomo plant.

Thanks.

Hi Sara and Dan,

Ex. 5 - Attorney Client

Also, when the actual 114 goes out, would you mind sending Katie, Greg, and I a copy for our future reference?
